

GEAR Bungee Cord Service And Warranty Policy

Custom fabricated and non-refundable.

GEAR Bungee Cords are guaranteed to operate as specified upon initial usage provided user adheres to all proper usage and handling procedures and does not cause or facilitate damage or failure.

Due to uncontrollable user variables including but not limited to ambient temperature, uncontrolled storage procedures, overloading or potential for harsh, damaging or improper handling practices, no usage or timeline warranty is included.

GEAR Bungee Cords custom fabricated to customer specifications which deviate from tested and certified design specifications hold the potential for failure or not performing to user expectation.
